

Virginia Technical Institute Tuition & Fees

Virginia Technical Institute uses the curriculum from the National Center for Construction Education and Research (NCCER), which is a standardized training process affiliated with the University of Florida. Each trade takes approximately 2 years to complete. You may research your trade choice on our website. Use link <http://www.govti.org/courses> . Just click on your trade choice and you can download and print the competencies & objectives.

The first classes you would take are CORE & your Level 1 trade. CORE is a class that covers the basics of safety, construction math, hand tools, power tools, blue prints, communication skills, employability skills and materials handling.

If you are interested, please call for an appointment to come in and complete registration.

Tuition, books and lab fees are subject to change.

Total cost of the CORE & Level 1 trade class is approximately \$1758 or \$1858 for Welding.

Costs per class per semester:

CORE & Level 1 Tuition - \$700 each

Levels 2-4 Tuition - \$1400 each

PLC tuition - \$1400

CORE & Level 1 Lab fees - \$99 each

Welding Level 1 Lab fees - \$199 each

Welding Levels 2-4 Lab fees - \$299 each

Levels 2-4 & PLC Lab fees - \$199 each

CORE and all Level 1 books - \$80 each

Levels 2-4 & PLC books - \$110 each

Currently, we do not have tuition assistance. We do offer a payment plan. We ask that you pay for your lab fees and book fees at the time of registration. After a \$25 service charge, tuition is divided into 4 equal payments of \$356.25 payable the 1st of the month for the next 4 months.

Office hours are Mon – Thurs 9:00am – 5:00pm

(Please call before coming. Summer time hours can change)

Please do not hesitate to call if you have any questions!
